I was under treatment of S.K.Singh chauhan and my age is ninety years. I was been suffering from **diabetes and hypertension**. Also I am fatty and heavy weight. Every now and then I had body pain, joints pain due to many times injuries. I am also suffering from **Alzheimer's diseases**. Even my nervous system was very weak. I had tried so many medicines but could not found any kind of improvement in my body and health. My health was been completely broken down and due to my health I was scared and worried.

Then I started consuming Wellness Noni. Within seven days I found some changes in my health. I started consuming Wellness Noni every day and night and slowly I found so many changes in my body pain, everything was just going fine and from inside I was feeling healthy and fit.

Thanks to wellness Noni.
