Due to **constipation**, I had a problem of **piles**. In spite of taking many medicines I could not come out from the problem which I suffered. One day, my company owner gave me Wellness Noni to use and he told that your all problems will be solved by this Ayurvedic medicine. I started to consume Wellness Noni, within 4 to 5 days constipation problem solved. Slowly and gradually my weight also started to decrease. Digestion problem also solved. Since last one month I have no problem of gastritis. I wanted to continue the use of Wellness Noni, unless and until I am completely cured. Since, few years I was been suffering from **piles**. Whenever I remember those days it really scares me. At the same time I was been suffering from **constipation** and if we talk about piles, **constipation** is the biggest enemy of piles. I still remember the **burning sensation**. I have tried so many things medicines. My relatives used to give me suggestion to have different types of medicines and I had to take it, I did not have any options. I tried each and every thing but finally had to suffer a lot.

Due to having piles I was not able to give proper concentration on my work. My life was **completely disturbed**. I was suffering like anything that I could not think anything and I started Wellness Noni and what I found is really a miracle. I did not expect such powerful result within few days. **That is truly a miracle. I am speechless.**

Now **I am not facing any kind of constipation problem.** When I get up in the morning and go to toilet now I am not scared of constipation **and burning sensation is visibly gone.** I am just thankful to the people who have made such miraculous tonic. My blessing would always be there to such wonderful people.

Thanks a lot. Thank you so much for making my life better.
