

Jyotsana Ben  
Rajkot

My name is jyotsana ben from rajkot. I had an attach of chicken guinea before two years I had shown to eight to ten doctors but did not find any relief. I had a joints pain but still no relief there was a swollen hands. Wherever joints are there in the body I was having too much pain whenever I wake up I am suffering from joints pain. After taking wellness noni hardly a month is not finished I am feeling well. Whenever I use to get up in the morning I was having joints pain and I use to sit in my bed for sometime. I use to do exercise for sometime and then only I could get up and due to wellness noni I am getting good on my health and my joints pain is also improved I lost my weight also before it was very high I am heartly thankful to wellness noni thankyou.
