Naranpura,
Ahmedabad**

My name is Rampal Sharma. I am in mechanical field. Since fifteen years I am in trouble due to **alcohol consumption**. I have consulted so many places but not found proper solution for my problem. Those days my son Mr. Pradeep Sharma told me about Wellness Noni and its advantages. He said it is a wholesome health supplement. He informed me that I should take this every morning and evening 10ml and after few days I am suppose to take 15 ml accordingly. Since I was also been suffering from **High blood pressure** but after using Wellness Noni I have faced good changes **in my health and fortunately my pressure is under control**.

I just want to thank to Moneta group.
