I had **skin allergy** since three to four years. I had some **heaviness in my stomach** and was suffering from **depression** at the same time. Even I had **dandruff problems** and **hair fall** too. I came to know about your company Moneta and Wellness Noni and started consuming it. And finally I felt everything seems to get fine and 70 percent I was satisfied with its results.

Thanks a lot.

I was suffering from Diabetes since 12 years. Because of **diabetes** I was feeling **pain in my joints**. Few months back Sukhwinder Singh suggested me to consume Wellness Noni. After making use of Wellness Noni my sugar level came down from 250 to 190. Now I am not feeling pain in my joints and due to this I can walk easily and feeling much healthy.
