My name is Manjeet Singh. I am 47 Years old. Since long time I have been suffering from both knee joints pains. Due to hectic work schedule I had tension and whole day I was feeling heaviness in head. At the same time I had a problem of digestion. Due to acidity I was feeling panic all time. After performing Sonography I came to know that I have a lump in kidney. After knowing this I was completely tensed. One day one of my Doctor friends recommended me Wellness Noni and asked me to start consuming it.

I started taking Wellness Noni dosage according to doctor's given guideline. Within two to three weeks my knee joints pain got disappeared and now I am feeling relaxed mentally. Also my digestion problem is getting good. Due to lump in kidney I had a back pain but now it is gone. Later on after having sonography I came to know, that my kidney lump has become small in size. I wish and I believe that within short point of time I will be fine like anything.

I am glad and thankful to Wellness Noni
